Sir,

With reference to Para 2 of your letter No. Fl.4910 /B.5-10 dated 21st March 1911 calling for my --- views in the matter of the further retention of Mr. H. Pilkington's service after the termination of his present term of office which expires at the end of this month, I have the honor to state as follows:-

Of the 20 members of the late Chikmagalur Agricultural Bank, one-Chandregowda- has paid up his loan amount in full and got his account closed. The accounts of 4 of the worst members,-P.Jagannatha Rao, A.Shama Rao, ShivajiRamchandra Mrs.Ganesa Rao- have been settled by the sale of their properties and the writing off of the irrecoverable balances The cases of 2 members- Abdul Khalik and Raghavendrappa - are nearly adjusted and are pending orders with Government. (Vide-Correspondence ending with this office letters Nos. 415 and 430 dated 18th.April and 2nd.May 1911 respectively.

2. Of the remaining 13 members, all but 4 are in my opinion undoubtedly solvent and may be expected to pay up their instalments of their loans regularly. If only the instalments due from these members are not allowed to get into arrears and if prompt steps are taken to recover them as they fall due, there will not be any need for the services of Mr. Pilkington with regard to them.

3. The 4 members whose solvency is doubtful and whose cases are likely to prove a source of anxiety are, C.Basave-Gowda, C,Srinivasa Rao, C.Vasudeva Rao and N.Mahadevayya. Of these, Basavegowda is in arrears by 2 instalments, Srinivasa Rao by 3 instalments, and Vasudeva Rao by nearly 2 instalments. I have been pressing these members to arrange for the payment of their arrears of instalments either by the sale of portion of their estates or in some other manner. It is only with regard to these members that Mr.Pilkington's services may be required to inspect their estates once a year, for seeing that they are properly worked and maintained and for estimating the crops and to help in the disposal of the estates, if they have to be brought to sale. For this purpose, I consider it unnecessary to engage Mr. Pilkingtons services all the year round at the present rate of his pay. I would suggest that instead of retaining his services all the year round, he may be asked to inspect the estates of the above 4 members once a year between September and November and submitting notes about their condition and their estimated crop. For this, he may be paid such fees as may be considered proper and reasonable.

If the above suggestion finds favour with Government, I shall submit my views in consultation with Mr.Pilkington about the amount of the fee that may be paid to him for the above work.

I have the honour to be,

Sir,

Your most obedient Servant,

Deputy Commissioner,

Kadur District.

Letter dated 8th June 1911 from Mr.H.Pilkington, Inspector of Coffee Estates, to the Deputy Commissioner, Kadur District.

- - - - - - - -

Your D.O.letter of 30th ultimo with copies of correspondence re the renewal of my appointment as Inspector of Coffee Estates followed me into Camp, and I must apologise for not replying before; but I have been moving rapidly in order to reach Koppa before the commencement of S.W.Monsoon.

The Coast Firms usually pay Rs.100/- for a brief statement of condition and an estimate of the crop for each estate; and according to your letter No.R.381 of 5.5.11 the remaining Agricultural Bank Estates are:-

In the Kadur District

That need not be inspected		Doubtful		That require to be inspected	
Sheik Ali Sab	2 estates			C.Srinivasa Rao	2 Estate
Channabasappa setty	3 ,,	Veeranna Gouda	1 estate	C.Vasudeve Rao	2 ,,
R.Ranganna	1 ,,			T.Raghavendrappa	1 ,,
K.Hanumantha	1 ,,	Serappa setty	1 ,,	Abdul Khaliq	2 ,,

In the Hassan District all are to be inspected

Usman Sab	1 estate	M.Abdul Rahman	1
Kalappa	1	Lala Sab	1
Appaji gouda	1	Lanjaiya	1
Udivar brothers	1		7

Thus in Kadur District I shall have to visit 10 estates; and 2 now remain doubtful; and as regards the others, though now solvent, it is more than probable that in the event of the death of some of the owners, trouble will arise and the estates again require inspection.

In the Hassan District 7 estates require inspection. Thus 17 estates at any rate require inspection; or putting the owners of 2 estates at 1½, it becomes 15½ estates which at Rs.100/- each = Rs.1550/

In addition to this I may be called upon to inspect any of th

remaining estates,or to attend a sale of any one of the properties or to advise the Deputy Commissioner at any time . Both yourself and Mr.Wethrall are now well acquainted with these estates and things are working smoothly; but should any change occur my services would probably be more often required.

Travelling expences over this country are heavy; and I think if my salary be put at Rs.150/- per mensum it will be fair both to myself and Government."
